Sermon Notes

Steven Sims

Welcome to Freedom Gate, we're glad you're here! Our worship service starts right around 10 am. This is our time to worship God & press in to all He has for us. We believe God desires & is fully able to heal, save, & restore...today!

We'll release the kiddos after worship to Big Chuch (K-5th) and First Church (infant-PreK). These programs are specially designed for children to learn about Jesus in a safe, fun way.
